Legislative Bills S. 1519 and H. R. 5115

Since Legislative Bills numbered S. 1519 and H. R. 5115 cover the same subject matter, the following are the combined comments pertinent to both bills:

1. Both bills would limit the Department of Defense in performing, by private contract, work traditionally performed by civilian components of the Department of Defense. Since this Agency is not a part of the Department of Defense, the limitations imposed would not affect the Agency, per se.
